### August / September Highlights

Most everyone enjoyed the August weather in these parts, especially camping, going to the pool, farming, etc. However, in late August, many of our Greyhound family suffered the impact of Hurricane Irma, in the Texas, Louisiana areas and surrounding areas, as well. Just when things seem to calm down, Hurricane Maria entered the scene, this time hitting Florida and traveling up the East coast, as well as hitting some of the southern islands.

Puerto Rico has been especially hit hard.

Thank goodness for Facebook and texting.....many of our Greyhound friends checked in before, during and after the storms. So far, I have not been notified of anything major injuries (thank GOD). The losses of personal property that our friends have suffered through is unimaginable. It is our prayer that you remain safe, as you recover from your terrible experiences.

September 25 to September 30 marked the GCMS Homecoming activities for 2017-2018. The week was full of fun activities, ending with the Homecoming Parade on Thursday (Sept. 28) and the game on Friday (Sept. 29).

During half-time, 4 persons were inducted into the GCMS Athletic Hall of Fame....(continued on the right).

Molly Kollross was elected Homecoming Queen and Luke Freehill was elected King. They will receive their crowns at the dance on Saturday night.

Many residents enjoyed the Homecoming Parade as they lined the route. Among the floats were residents and staff of Hollybrook, including DHS '46 Valerie (Wright) Hunt who sported a Homecoming Queen sash.
